

The Tour Pro Expeditions Golf Clinic & Display Day

The **Tour Pro Expeditions, Golf Clinic & Display Day** is a great opportunity for your club and region to experience Professional Golfers up close and personal, whilst creating an entertaining day for the entire community. Not to mention a great way to enhance your Golf Clubs reputation and increase its clientele.

Tour Pro Expeditions arrive at your golf club with 4 golf tournament professionals who will host your day. The day begins with an introductory, welcome breakfast where our golf professionals will introduce themselves and talk your guests through the itinerary for the day.

Following breakfast your guests will be split into 4 groups for a golf clinic where each professional will focus on a different aspect of golf

- Full Swing
- Short irons / wedge play
- Around the greens – pitching/bunker play
- Putting

The clinic will finish in time for lunch, where our Professionals will answer questions about the morning clinic, life on Tour and the Professional Golf Circuits of the world.

After lunch your guests will have the opportunity to either play in a group with our Tour professionals or watch the professionals compete against themselves in a "Skins" match. The format of the afternoon is completely up to the host club, and we are more than happy to tailor the afternoon to any requirements. Whichever format is chosen, it is a great opportunity to watch world class golfers in action around your own home club.

The **Tour Pro Expeditions, Golf Clinic & Display Day** can be used to create revenue into your club, plus give local companies a chance to sponsor the day, offering great advertising opportunities, exposing their business to many locals.

The end result of the day will be a great day for the whole community to come and enjoy watching and learning about the greatest game of all **GOLF!!**

To experience a **Tour Pro Expeditions, Golf Clinic & Display Day** with Qualified PGA Coaches/Tournament Professionals at your club or for ideas on how to sell the day and raise money for your club, contact:
