

# Group Blister Package

**(Minimum 6 people)**

This is a great package, perfect for a group of couples or a bunch of competitive friends who are mad on golf! Seven nights and six days on Queensland's Gold Coast including five rounds of golf on 5 of Australia's top Resort golf courses is enough to satisfy the golfing desire of any fanatic! Add to this a couple of lessons with PGA golf professionals to help keep your ball out of the hazards and this is the perfect golf trip!

Typically we leave one rest day after three rounds, to allow our guests to regain strength and experience another adventure on the Gold Coast, which we have many different options that we can recommend. (Fishing, 4WDing, shopping, boating, amusement parks, animal zoo, and winery tours to name a few)

This package is extremely popular and everyone always leaves with a smile and a few stories of ball stealing hazards!
